What You Can Expect as a Barnstormer:

Our teams will begin Winter workouts (1-2 practices per week) starting January 1st and run until end of March and then move outside once the weather cooperates. During the season you should expect two practices per week and/or a scrimmage game taking the place of a practice. Tournaments generally start in March (indoor) or first or second week of April (outdoor), with most teams playing until mid July. On average, our teams (8u-13u) will play 10-12 weekend tournaments. Our 7u team will likely play 6-10 tournaments. Amount of travel for tournaments is decided on a team-by-team basis and determined by head coach of each team. Fall practices dependent on coach.
